Muslims from all walks of life and from all corners of world, divided by geography, race and language, are all united in their reverence and devotion to the Holy Prophet P.B.U.H to the religion of Islam and the Holy Quran.

What was so special, extra ordinary and unique about the Holy Prophet P.B.U.H that he should have been chosen by God as a supreme example to guide mankind to its ideals of the happiness and perfection?

Prophet P.B.U.H that shows his nobility, generosity and beneficent attitude to human beings is the triumphant entry into Makkah, which in a sense, highlights his earthly career. There he was at the moment of supreme triumph, when the very people who caused him untold hardship and trails for many years, who had forced him to fight wars were all subdued and at the mercy of one command for vision, for every circumstance . Instead of Karen Armstrong commenting on the final triumph, says:

'After the declaration of General Amnesty, nobody was made to accept Islam by force, nor do they seem to have been under any

pressure to do so. Muhammad P.B.U.H did not want to coerce the people but to effect reconciliation.'

The Holy Prophet P.B..H behavior and his vision of a balanced and a harmonious life on Earth is based on the integration of the temporal and spiritual dimension of one's life, human reality and relationship with God Almighty.

Indeed, for every occasion in which a Muslim life and the Holy Prophet OF Islam P.B.U.H is the interpreter par excellence of that divine message. That is why all Muslims, all over the world, look up to the life of the Holy Prophet P.B.U.H of Islam to follow his example.
